The MONEUL project is dedicated to fostering inclusive digital learning about the European Union within the Humanities, Languages, and Teacher Training departments of Mongolian partner universities. As a single-country, multilateral partnership, MONEUL brings together partner universities from Belgium, Poland, and Mongolia in Region 5 (Asia) and a European Association.

# MONEUL

Inclusive digital learning about the European Union for humanities, languages, and teacher training departments in Mongolia

Co-funded by the Erasmus+ Programme of the European Union

## About MONEUL

The MONEUL project is a collaborative effort aimed at enriching the educational programmes in Mongolia by integrating digital learning modules focused on the European Union. Through partnerships between universities in Belgium, Poland, and Mongolia, MONEUL seeks to enhance understanding and appreciation of the EU's democratic structures, values, and policies among students and educators.

## Project Objectives

- Build capacity within Mongolian partner universities for implementing digital learning and teaching about the European Union.
- Modernize existing programs and mandatory courses to incorporate EU-related content.
- Create new online modules addressing various aspects of EU governance, culture, and history.
- Develop a Mongolian-English glossary on EU terminology to facilitate comprehension.
- Modernize university libraries to include resources on EU studies.
- Ensure inclusive educational design to accommodate students with disabilities.
- Enhance the visibility of the EU in Mongolia through educational initiatives and cultural exchange programs.

## Join Us

Join us on this transformative journey as we contribute to the advancement of inclusive digital education and EU-Mongolian cultural exchange and build bridges of understanding and cooperation between Mongolia and the European Union.
